

# THE WORLDS FIRST AGM BATTERY FOR COMMERCIAL VEHICLES.

VARTA® ProMotive AGM is designed for the latest heavy commercial vehicles. It is the only battery made to meet the most demanding applications and power-consuming functions without the battery wearing out and resulting in downtime.

- ▶ 4 of the 5 Largest Truck Manufacturers use VARTA AGM as Original Equipment
- ▶ 6 times the cycle life compared to conventional batteries
- ▶ For advanced hoteling and overnight functions including parking coolers / air conditioning
- ▶ Designed for end of frame installation (EURO 5/6) due to the highest vibration resistance

**AVOID COSTLY BREAKDOWNS.  
KEEPING YOUR FLEET MOVING.**
